Quality Materials

Quality Cabinetry | Premium Birch and Poplar laid-up with impact and stain-resistant laminate

Oak Butcher Block Counters | Beautiful solid oak countertops

Vinyl Flooring | Waterproof & wear-resistant tongue-and-groove flooring

Maple Walls & Ceiling | Natural maple veneer with ply-core for durability

Fully Insulated | Industry leading R-value, moisture control, and sound deadening

VanCraft campervans are user-friendly, durable, and beautiful.

We made sure to stick to our roots with our new and improved conversion by keeping the natural maple wall and ceiling panels and beefy oak butcher block countertops.

High-pressure laminate cabinet faces offer superior wear and impact-resistance versus traditional cabinets. Our laminate is always laid-up on REAL WOOD. No particle board ever.

The campervan’s floor is sure to be exposed to the elements, which is why we use a 100% water-proof tongue-and-groove vinyl flooring system.

VanCraft has a no-compromise policy when it comes to the materials we use.
Premium Sound System | 2x rear speakers, 2x front speakers, 10” subwoofer, amp, and CarPlay stereo

Charging Station | 4x USB plugs, 2x 110V plugs, & USB/12V combo plug in the bed area

Full Kitchen | Electric sink, induction stove-top, and 45qt fridge

Comfortable Bench Seat | Durable foam cushions & Sunbrella canvas provide comfortable support on long trips; 2x integrated lap seat belts | folding bench-back extends bed length to 6’4.

The heart of the SWB’s Kitchen is the 45-quart compressor refrigerator, which is powered by the robust solar battery bank. Cooking is a breeze with plenty of countertop space and an integrated induction stove. Cleanup is made easy with our deep-dish stainless electric sink.

Enjoy a post-meal dance party, using your upgraded premium sound system, or crash for a nap on your plush memory foam bed.

Stow a cartridge toilet under the bench seat for easy interior access in case of emergencies.
**Industry Leading Storage** | Whether you’re looking for a weekend getaway or embarking on the Great American Road Trip, proper storage is key to a successful campervan trip. There is plenty of storage to fully stock your kitchen with all the necessary cookware and dishes. Keep your clothes out of the way and organized in the closet and over-head cabinets. Under-bench storage can accommodate a small cartridge toilet, in case of emergencies. All drawers and doors come with manual or automatic latch systems, to ensure cargo stays quiet and secure while driving.

**Queen Size Bed |** 6” memory foam mattress; 5’8 wide and 6’4 long with the bench back extension

**Roof Vent Fan |** Powerful roof fan provides excellent ventilation

**Optional Off-Grid A/C |** Upgraded roof-mount A/C unit available; Fully off-grid 12V unit - no generator required

---

**Bench Back Extension:**
The bench back manually lifts and locks into place, sits flush with the top of the mattress, and extends the length of the bed to 6’4.

**Window Covers:** VanCraft campervans come with insulated windows covers for every window in the van. Enjoy the privacy and additional insulation these suction-cup window coverings provide.

**Heating:** Adventuring in our campervans is an enjoyable and comfortable experience, year-round. Airtronic diesel cabin heaters, standard in all of our campervan conversions, sips fuel from the main fuel tank and can be operated with the van off – no venting required.

The Garage | Our open concept garage gives you total freedom when it comes to organizing your gear. 35” of height clearance makes mountain bike storage a breeze and the 6’8 long storage bay, on the driver side, gives you ample ski and board storage. After a long day of adventuring, enjoy a nice hot shower using your instant hot water shower system, found on the passenger side of the garage. There is LED lighting mounted in the steel bed frame for easy night-time garage access.
